Dear Ms. Pinson;

Thank you for your letter raising your concerns about LCRA's proposed McCamey D to Kendall to Gillespie transmission line.

Unfortunately, because LCRA has filed their application and the case is pending before the Commission, I cannot talk about any substantive issues relating to the proceeding. I have filed your letter in Docket No. 38354, the docket in which LCRA filed its application, so that other the parties in the case are also aware of your concerns.

Thank you again for writing.

Sincerely,

A handwritten signature in black ink, appearing to be "B. Smitherman", written over a horizontal line.

Re: Sending "wind power"
to other TX towns.

I am Rosalie Pinson and I live in
Kerrville, TX in the TX Hill Country. I do not
want new LCRA route lines coming
through Kerrville at all, and especially
not along I-10 (Interstate 10 corridor.)

Thank you,
Rosalie Pinson
