## Memorandum

**TO:** Jeff Stuart  
Legal Division

**FROM:** William Abbott   
Rate Regulation Division

**DATE:** August 17, 2010

**RE:** Tariff No. 38460 – **Petition of Oncor Electric Delivery Company LLC for Administrative Approval of Transmission Cost Recovery Factor Update Pursuant to SUBST. R. 25.193**

---

On July 15, 2010, Oncor Electric Delivery Company LLC (“Oncor”) filed a petition to update its Transmission Cost Recovery Factor (TCRF). On August 12, 2010, Oncor filed attachments amending its petition. Pursuant to P.U.C. SUBST R. 25.193(b), a Distribution Service Provider may update the TCRF twice a year, effective March 1, and September 1, of each year, to pass through changes in wholesale transmission costs that are billed by Transmission Service Providers to Distribution Service Providers. Oncor requested administrative approval of its petition, with an effective date of September 1, 2010.

Commission Staff (Staff) has reviewed the petition of Oncor and has confirmed that the TCRF calculations reflected in amended Attachment A and amended Attachment B of the petition are accurate. Staff recommends that the Tariff Rate Schedule (*6.1.1.6.1 – Rider Transmission Cost Recovery Factor (TCRF)*), Attachment C of the amended petition, be **APPROVED** as filed. Staff further recommends that Oncor be required to file a “clean” record copy of the approved Tariff Rate Schedule, *6.1.1.6.1 – Rider Transmission Cost Recovery Factor (TCRF)*, to be stamped “Approved” by the Commission’s Central Records Division and retained for future reference.
