**WIND ENERGY TRANSMISSION TEXAS, LLC’S REQUEST FOR CLARIFICATION  
CONCERNING THE REQUEST TO INTERVENE OF  
JERRY HATFIELD**

TO THE HONORABLE HOWARD SEITZMAN, ADMINISTRATIVE LAW JUDGE:

Wind Energy Transmission Texas, LLC (“WETT”) files this Request for Clarification to the Request to Intervene of Jerry Hatfield. Mr. Hatfield’s Request for Intervention was filed with the Public Utility Commission of Texas (the “Commission”) on September 30, 2010. Since this Request for Clarification is being filed within three working days of that date, it is timely filed. WETT respectfully shows as follows:

On August 18, 2010, WETT filed its Application for a Certificate of Convenience and Necessity (“CCN Application”) and served notice upon all directly affected landowners as stated in the current county tax rolls, pursuant to PUC Proc. R. 22.52(a)(3). WETT’s CCN Application lists landowners who were sent notice in Attachment 7, which was supplemented by WETT on September 13, 2010. The intervention deadline was September 17, 2010.

On September 30, 2010, Jerry Hatfield filed his Request to Intervene. Using the standard Commission intervention form, Mr. Hatfield checked the box for “I own a habitable structure

located near one or more of the utility's proposed routes for a transmission line." Mr. Hatfield also stated in his Request to Intervene that he "did not realize it was time sensitive when [he] received this document. [He] respectfully ask[s] you to consider this request."

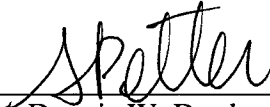

The relevant county tax roll(s) indicate that Jerry Hatfield owns property within 500 feet of a proposed route, but WETT is unaware of any habitable structure on that property.

WETT does not wish to prevent individuals who possess a justiciable interest from intervening in this proceeding. Notwithstanding such, and considering the above, WETT requests the Administrative Law Judge ("ALJ") to direct Jerry Hatfield to clarify whether he is intervening because he has a habitable structure near a proposed route, or because a proposed route would cross his property. WETT would also request the ALJ to direct Jerry Hatfield to clarify the date on which he received notice of WETT's Application. Pending clarification, WETT reserves its right to object to Jerry Hatfield's Request to Intervene should he lack standing.

WETT therefore requests that the ALJ grant this Request for Clarification and direct Jerry Hatfield to provide additional information about the nature of his interest concerning this proceeding.

Respectfully submitted,
