I am requesting to intervene in this proceeding. As an INTERVENOR, I understand the following:

- I am a party to the case;
- I am required to respond to all discovery requests from other parties in the case;
- If I file testimony, I may be cross-examined in the hearing;
- If I file any documents in the case, I will have to provide a copy of that document to every other party in the case; and
- I acknowledge that I am bound by the Procedural Rules of the Public Utility Commission of Texas (PUC) and the State Office of Administrative Hearings (SOAH).

Please check one of the following:

- I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- One or more of the utility's proposed routes would cross my property. 2.1.19 Link EU4
- Other. Please describe and provide comments. You may attach a separate page, if necessary. My company, Duffer Land & Cattle Co. bought land to develop an upscale housing subdivision. The proposed transmission line will devalue our land and discourage new home owners from purchasing land or new homes.
