**STATEMENT OF POSITION  
OF CHESTER AND KATHERINE FOSTER**

**TO THE HONORABLE PUBLIC UTILITY COMMISSION OF TEXAS:**

COME NOW, Chester and Katherine Foster (the Fosters), and in compliance with P.U.C. PROC. R. § 22.124, submit this State of Position in the captioned docket. In support thereof, the Fosters respectfully show as follows:

I.

The Fosters support the recommendations of ERCOT for alternatives to the proposed Kendall to Gillespie transmission line. The Fosters believe that the Public Utility Commission's policies and the Public Utility Regulatory Act's intent are served when cost effective alternatives to transmission lines can be identified and implemented.

II.

The Fosters reserve the right to participate in the remainder of the proceedings in this Docket No. 38577.

WHEREFORE, PREMISES CONSIDERED, the Fosters respectfully request that the Commission accept and consider this Statement of Position.
