RE: Project No. 38578 – Energy Efficiency Implementation Project under 16 TAC § 25.181

Due to the severe winter weather, the winter Energy Efficiency Implementation Project (EEIP) meeting previously scheduled for February 16, 2021 was canceled and has been rescheduled.

The Public Utility Commission of Texas is hosting the first Energy Efficiency Implementation Project (EEIP) meeting for 2021 virtually on Thursday, March 11, 2021 from 9:00 AM – 12:30 PM. The agenda will include the evaluation, measurement and verification effort, the electric utilities' program plans, the next update of the Technical Reference Manual, and a presentation from the Texas Energy Poverty Research Institute (TEPRI) to provide an overview of their research to support implementation of low-income/hard-to-reach programs here in Texas.

Video conference link and call in # are provided below.
