RE: Project No. 38578 – Winter Load Management Pilot Program

Texas New Mexico Power Company and AEP Texas, Inc. each filed the template for their respective winter load management pilot programs that the companies intend to launch in December 2022. The pilot programs follow the template filed by Oncor Electric on October 28, 2021 in Project No. 38578.

Please file any comments on the pilot programs by November 28, 2022 in Project No. 38578, *Energy Efficiency Implementation Project Under Subst. R. §25.181(q)* by November 28, 2022.
