on _____, 2010.

Staff -1-1 Do you have a habitable structure, as defined by P.U.C., SUBST. 5. 25.101(a)(3) near one or more of the segments of the proposed transmission line? If so, describe the structure, identify the segment(s) and estimate how far the segments are from the habitable structure. P.U.C. SUBST. R. 25.101(a)(3) defines "habitable structures" as follows: "Structures normally inhabited by humans or intended to be inhabited by humans on a daily or regular basis. Habitable structures include, but are not limited apartment buildings, commercial structures, industrial structures, business structures, churches, hospitals, nursing homes, and schools."

RESPONSE: *Yes. Our home is 200 sq ft 3 bedroom ranch, located approx 2500 feet from the G8 segment.*

Staff-1-2 Does one or more of the segments of the proposed transmission line cross your property? If so, identify the segments and any features including but not limited to a property line, pipeline, power line or road that the segments follow through your property.

RESPONSE: *No*

Staff-1-3 Do any existing transmission or distribution lines cross your property? If so, please describe how and where they cross your property.

RESPONSE: *We have Two Electrical Distribution poles across the south side of our property. There are no TRANS Line-crossing our property.*

Staff-1-4 Are any existing transmission or distribution lines visible from your property? If so, please describe from where the lines are visible, approximately how far away the lines are visible, approximately how far away the lines are located and how the current lines affect your property, if at all.

RESPONSE: *There are no Transmission Lines. We have approx 15 distribution lines visible from our property. The nearest pole is 100' & the other range from 300' to 800' from our home*

Staff-1-5 Do you currently have any windmills located on your property? If so, please describe the location of the windmills and how many are located on your property.

RESPONSE: *No*

Staff-1-6 Are you aware of any directly affected landowner that did not receive notice of the proposed transmission line project from Oncor? If so, please identify the landowner and describe as best possible the location of the property affected. A directly affected landowner is any landowner from which Oncor would need to obtain an easement or other property interest if it built the transmission line using one or more of the segments of the proposed transmission line, or whose land contains a habitable structure that is within 500 feet of the centerline of one or more of the segments of the proposed transmission line.

RESPONSE: *No*

Staff-1-7 Have you discussed any modifications to the proposed transmission line route on your property with a representative of Oncor? If so, what were the modifications to the proposed route that you suggested and what was the response of Oncor?

RESPONSE: *No*

Staff-1-8 What are your specific concerns about the proposed transmission line?

RESPONSE: *OUR CONCERNS ARE:*
1. Visual (ugly - ugly - ugly)
2. Electrical & fire risk of severe weather occurrence
3. Digital interference to TV & Radios.

Staff-1-9 Did you attend any open houses presented by Oncor concerning this proposed transmission line? If so, when and where? Did you provide written comments to Oncor at or after the open house? If so, please provide them.

RESPONSE: *No*

Staff-1-10 Are your property boundaries for the property you own represented accurately on the maps provided by Oncor in its Application at Attachment

No. 5? If no, please explain any discrepancies and provide a modified Oncor map or drawing to indicate the discrepancies.

RESPONSE: *yes.*

Staff-1-11 What is the primary use for your property and, in your opinion, will this use be impacted by the proposed transmission line?

RESPONSE: *This is our home & can you guarantee this high power transmission line will not cause health problems, devalue our property, & keep the solitude & visual clutter out of our country life style.*

Staff-1-12 In your opinion, is there any feature about your land that you believe should be considered when routing a transmission line on your property? If so, please explain.

RESPONSE: *N/A*

Staff-1-13 Please identify all persons with an ownership interest in your property.

RESPONSE: *DONALD E & NEIL L. TRIMBLE*

Staff-1-14 If the transmission line is routed on your property, please identify specifically the location that you would prefer for the right-of-way of the line. Use a map to show the location.

RESPONSE: *N/A*

Staff RFA 1-1: Admit or deny that you do not own or reside in a habitable structure within 500 feet of the centerline of any proposed transmission line route in this docket.

RESPONSE: *We admit that we do not own or reside in an habitable structure within 500' of the centerline of any proposed transmission line route in the Docket.*

Staff RFA 1-2: Admit or deny that the property boundaries for the property(ies) you own are accurately represented on the maps provided by Oncor.

RESPONSE: *Admit*
