I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- One or more of the utility's proposed routes would cross my property.
- Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

I am a resident that lives near the proposed "S" line . As the line would be approximately at the end of my block, I oppose such. If the line were constructed, it would have a negative impact on the value of my house which has already suffered in

this economy, and it would be an eye-sore for anyone within miles of the proposed structures. In addition, I am very concerned about the health implications the line would have on my family. I am a pilot, and the proposed "S" line would be in the flight path of aerobatic aircraft that practice in close proximity to an airport behind the Celina High School.

As the proposed line would have no positive impact on my subdivision or community, I implore the PUC to oppose the request by Oncor to establish any line other than the preferred route.

Thank you for your consideration.
