Re: Petition for Youghioghenny Communications for extension of code/thousand block 956-280.

Hello:

Please accept this letter as our petition for extension of the activation period under subsection (f) of 26.375 for the NPA/NXX and thousand blocks listed below. Information requested under subsection (f) is as follows:

- (A) Name: Youghioghenny Communications OCN 468D
- (B) Contact: Michele Ramirez  
24900 Pitkin Rd, Ste 305  
Spring, TX 77386  
Phone 281-465-8666-105  
Email: michele.ramirez@riotelsolutions.com
- (C) Code/Thousand block: 956-280 growth
- (D) Expiration Date: 7/21/10
- (E) Purpose: The resource is a code holder assumption from another service provider for the purpose of growth. We were already assigned blocks when the original code holder donated the code back to the pool.
- (F) Reason: Since this was a code assumption the paperwork was not addressed in our regular process per the number administrator. Therefore, overlooked.
- (G) We are requesting the following extension: 956-280 Growth Date: 9/17/10

Your consideration of our request is appreciated. If you need additional information, please let me know.

Thanks!
