PUC DOCKET NO. 38743

COMMISSION STAFF'S FIRST SET OF REQUESTS FOR INFORMATION
TO INTERVENORS

- Staff-1-1** Do you have a habitable structure, as defined by P.U.C. SUBST. R. 25.101(a)(3), near one or more of the segments of the proposed transmission line? If so, describe the structure, identify the segment(s) and estimate how far the segments are from the habitable structure. P.U.C. SUBST. R. 25.101(a)(3) defines "habitable structures" as follows: "Structures normally inhabited by humans or intended to be inhabited by humans on a daily or regular basis. Habitable structures include, but are not limited to, single-family and multi-family dwellings and related structures, mobile homes, apartment buildings, commercial structures, industrial structures, business structures, churches, hospitals, nursing homes, and schools."
- YES*
Single-family HOME
164 feet
- Staff-1-2** Does one or more of the segments of the proposed transmission line cross your property? If so, identify the segments and any features including but not limited to a property line, pipeline, power line or road that the segments follow through your property.
- YES*
SEE MAP
- Staff-1-3** Do any existing transmission or distribution lines cross your property? If so, please describe how and where they cross your property.
- YES*
SEE MAP
- Staff-1-4** Are any existing transmission or distribution lines visible from your property? If so, please describe from where the lines are visible, approximately how far away the lines are located and how the current lines affect your property, if at all.
- YES*
SEE MAP
140 feet
- Staff-1-5** Do you currently have any windmills located on your property? If so, please describe the location of the windmills and how many are located on your property.
- NO*
- Staff-1-6** Are you aware of any directly affected landowner that did not receive notice of the proposed transmission line project from ETT? If so, please identify the landowner and describe as best possible the location of the property affected. A directly affected landowner is any landowner from which ETT would need to obtain an easement or other property interest if it built the transmission line using one or more of the segments of the proposed transmission line, or whose land contains a habitable structure that is within 500 feet of the centerline of one or more of the segments of the proposed transmission line.
- NO*
- Staff-1-7** Have you discussed any modifications to the proposed transmission line route on your property with a representative of ETT? If so, what were the modifications to the proposed route that you suggested and what was the response of ETT?
- NO*
- Staff-1-8** What are your specific concerns about the proposed transmission line?
- LOWER PROPERTY VALUE*
SAFETY CONCERNS HEALTH CONCERNS

Staff-1-9 Did you attend any open houses presented by ETT concerning this proposed transmission line? If so, when and where? Did you provide written comments to ETT at or after the open house? If so, please provide them.

NO

Staff-1-10 Are your property boundaries for the property you own represented accurately on the maps provided by ETT in its Application at Attachment No. 11? If not, please explain any discrepancies and provide a modified ETT map or drawing to indicate the discrepancies.

YES

SEE MAP

Staff-1-11 What is the primary use for your property and, in your opinion, will this use be impacted by the proposed transmission line? *CATTLE OPERATION - YES.*

Staff-1-12 In your opinion, is there any feature about your land that you believe should be considered when routing a transmission line on your property? If so, please explain.

NO

Staff-1-13 Please identify all persons with an ownership interest in your property.

*VERNAY HOWARD
LAUREL HOWARD*

Staff-1-14 If the transmission line is routed on your property, please identify specifically the location that you would prefer for the right-of-way of the line. Use a map to show the location.
