Re: Docket No. 38743, *Application Of Electric Transmission Texas, LLC To Amend Its Certificate Of Convenience And Necessity For The Tesla To Edith Clarke To Clear Crossing To West Shackelford 345 Kv Crez Transmission Line In Childress, Cottle, Hardeman, Foard, Knox, Haskell, Jones, And Shackelford Counties- Hearing on the Merits Transcript Strikes*

To the Honorable Steven D. Arnold,

After overruling the motion to admit the direct testimony of Dr. Dabbert, Your Honor requested The Duff/Alexander Group to propose lines to be struck from the hearing on the merits' transcript and to seek feedback from the other parties regarding this matter. The Duff/Alexander Group e-mailed the proposed lines to be struck to the parties. The Duff/Alexander Group has not received any objections to its proposed lines. Accordingly, The Duff/Alexander Group now submits the following lines to be struck for Your Honor's approval:

- Page 397, line 24 beginning with "In your testimony" through page 399 line 4; and
- Page 399, line 24 beginning with "I think I was asking you" through page 400 line 14.

Please let me know if you have any questions or comments.

Respectfully submitted
