SOAH ORDER NO. 4
NOTICE OF PREHEARING CONFERENCE

An initial prehearing conference will take place at 10:00 a.m. on December 22, 2010, at the hearing facilities of the State Office of Administrative Hearings, located at William P. Clements Building, Fourth Floor, 300 West 15th Street Austin, Texas 78701. The prehearing conference is open to the public.¹ All intervenors should attend the prehearing conference because motions to intervene may be ruled upon, parties may be aligned, the application may be discussed, and a schedule, including a hearing date, will be set. Also, parties may have questions that may be addressed or discussed.

The parties should be prepared to discuss a proposed scheduling order (including the hearing date), any outstanding motions, and any other matters listed in P.U.C. PROC. R. 22.121.

A technical conference may also be held immediately following the prehearing conference. The undersigned Administrative Law Judge believes that a technical conference has merit and recommends that the hearing room be made available for a technical conference among the parties immediately after the prehearing conference.

SIGNED December 9, 2010.

REBECCA S. SMITH
ADMINISTRATIVE LAW JUDGE
STATE OFFICE OF ADMINISTRATIVE HEARINGS

¹ Parking in this area is limited. Parking is available for a fee at the Bob Bullock Museum, located at 1800 Congress, and the Capitol Visitors' Parking Garage, located at 1201 San Jacinto, several blocks away from the SOAH hearings facility. There are small private lots at Lavaca and 17th Street., 15th St. and San Antonio, and 18th Street and Colorado. These lots tend to fill up early. Also, anyone attending the prehearing conference will need to check in with the office building security desk in the lobby (it helps to have the SOAH docket number, found at the top of this Order).
