**WIND ENERGY TRANSMISSION TEXAS, LLC'S REQUEST FOR CLARIFICATION
CONCERNING REQUEST TO INTERVENE OF BOBBY C. CATHEY**

TO THE HONORABLE REBECCA S. SMITH, ADMINISTRATIVE LAW JUDGE:

Wind Energy Transmission Texas, LLC ("WETT") files this Request for Clarification to the Request to Intervene of Bobby C. Cathey ("Cathey"). Although Cathey's Request for Intervention was filed with the Commission on December 3, 2010, WETT has not yet been served with it. Accordingly, this response is timely filed. WETT respectfully shows as follows:

On November 10, 2010, WETT filed its Application for a Certificate of Convenience and Necessity ("CCN Application") and served notice upon all directly affected landowners as stated in the current county tax rolls, pursuant to PUC Proc. R. 22.52(a)(3). WETT's CCN Application lists landowners who were sent notice in Attachment 7.

On December 3, 2010, Cathey filed his Request to Intervene. Using the standard Public Utility Commission intervention form, Cathey checked the box "One or more of the utility's proposed routes would cross my property." However, Cathey did not identify which proposed route will cross his land. The relevant county tax roll(s) do not indicate that Cathey owns property that will be traversed by any of the proposed routes.

WETT does not wish to prevent landowners who possess a justiciable interest from intervening in this proceeding. Accordingly, WETT respectfully requests the ALJ to direct Cathey to provide the location of his affected property and the proposed route or routes which he believes affect his property. This information will be useful for a number of purposes, including determining the proper status of Cathey with respect to this proceeding. As part of this request, WETT would also request the ALJ to direct Cathey to list the number of the property tract on his notice received, if any. Pending clarification, WETT reserves its right to object to Cathey's Request to Intervene should he lack standing.

WETT therefore requests that the ALJ grant this Request for Clarification and direct Cathey to provide additional information about the nature of his interest concerning this proceeding.

Respectfully submitted,
