ANSWERS TO SOAH DOCKET NO 473-11-1266  
PUC DOCKET NO 38825  
FROM KIM AND CATHY DENTON

STAFF-1-1 YES. I HAVE A HABITABLE STRUCTURE. IT IS A SINGLE FAMILY HOME.

STAFF-1-2 YES. IT IS THE LONG DRAW TO SAND BLUFF ALTERNATIVE ROUTE. LINK DJ5. OUR FARM LAND AND OUR HOUSE IN ALONG THE ROUTE. THERE IS A PIPELINE THAT CROSSES OUR FIELD AND A PHONE LINE IS BURIED ALONG THE WHOLD LENGTH OF OUR FIELD.

STAFF-1-3 THERE IS ELECTRICAL LINES TO THE SOUTH OF OUR PROPERTY ALONG KC LANE THAT CROSSES FM 33 AND HOOKS IN WITH LINES ON THE WEST SIDE OF FM 33.

STAFF-1-4 ONLY ELECTRICAL LINES DESCRIBED IN PREVIOUS QUESTION.

STAFF-1-5 NO

STAFF-1-6 NO

STAFF-1-7 NO

STAFF-1-8 OUR HOUSE IS 300' FROM THE EDGE OF FM 33 SO THE POWER LINES WOULD END UP IN OUR FRONT YARD.

STAFF-1-9 WE RECEIVED NOTICE IN THE MAIL 3 DAYS AFTER THE MEETING OCCURRED. THE NEXT MEETING WAS 45 MILES AWAY AND I WAS UNABLE TO ATTEND THAT ONE.

STAFF-1-10 I BELIEVE SO.

STAFF-1-11 WE FARM ON PART OF IT AND OUR HOUSE SITS ON PART OF IT.

I BELIEVE IT IS UNSAFE TO LIVE DIRECTLY UNDER THESE POWER LINES AND I ALSO BELIEVE THAT THEY WILL INTERFERE WITH THE ELECTRONICS IN OUR HOUSE.

STAFF-1-12 JUST THE FACT THAT OUR HOUSE IS IN THE PATH AND I AM TOLD IT IS UNSAFE TO LIVE UNDER THESE LINES. PLUS, WE DO HAVE A PIPELINE RUNNING ACROSS THE ROUTE AS WELL.

STAFF-1-13 CATHY DENTON, KIM DENTON, LYNN DENTON, KELLEY FUQUA

STAFF-1-14 IF YOU COULD JUST KEEP IT AWAY FROM MY HOUSE OR POSSIBLY TAKE IT TO THE WEST SIDE OF FM 33 WHERE THERE ARE NO HOUSES OR STRUCTURES.

STAFF-RFA-1-1 I DO LIVE IN A HOUSE WITHIN 500' OF THE PROPOSED ALTERNATIVE ROUTE LINK DJ5.

STAFF-RFA-1-2 I BELIEVE THEY ARE.

SIGNED 12/27/2010

*Kim Denton*

**SOAH DOCKET NO. 473-11-1266  
PUC DOCKET NO. 38825**

**COMMISSION STAFF'S FIRST SET OF REQUESTS FOR INFORMATION  
TO INTERVENORS**

- Staff-1-1** Do you have a habitable structure, as defined by P.U.C. SUBST. R. 25.101(a)(3), near one or more of the segments of the proposed transmission line? If so, describe the structure, identify the segment(s) and estimate how far the segments are from the habitable structure. P.U.C. SUBST. R. 25.101(a)(3) defines "habitable structures" as follows: "Structures normally inhabited by humans or intended to be inhabited by humans on a daily or regular basis. Habitable structures include, but are not limited to, single-family and multi-family dwellings and related structures, mobile homes, apartment buildings, commercial structures, industrial structures, business structures, churches, hospitals, nursing homes, and schools."
- Staff-1-2** Does one or more of the segments of the proposed transmission line cross your property? If so, identify the segments and any features including but not limited to a property line, pipeline, power line or road that the segments follow through your property.
- Staff-1-3** Do any existing transmission or distribution lines cross your property? If so, please describe how and where they cross your property.
- Staff-1-4** Are any existing transmission or distribution lines visible from your property? If so, please describe from where the lines are visible, approximately how far away the lines are located and how the current lines affect your property, if at all.
- Staff-1-5** Do you currently have any windmills located on your property? If so, please describe the location of the windmills and how many are located on your property.
- Staff-1-6** Are you aware of any directly affected landowner that did not receive notice of the proposed transmission line project from WETT? If so, please identify the landowner and describe as best possible the location of the property affected. A directly affected landowner is any landowner from which WETT would need to obtain an easement or other property interest if it built the transmission line using one or more of the segments of the proposed transmission line, or whose land contains a habitable structure that is within 500 feet of the centerline of one or more of the segments of the proposed transmission line.
- Staff-1-7** Have you discussed any modifications to the proposed transmission line route on your property with a representative of WETT? If so, what were the modifications to the proposed route that you suggested and what was the response of WETT?
- Staff-1-8** What are your specific concerns about the proposed transmission line?

- Staff-1-9** Did you attend any open houses presented by WETT concerning this proposed transmission line? If so, when and where? Did you provide written comments to WETT at or after the open house? If so, please provide them.
- Staff-1-10** Are your property boundaries for the property you own represented accurately on the maps provided by WETT in its Application at Attachment No. 3 (Sheets 1-28) If not, please explain any discrepancies and provide a modified WETT map or drawing to indicate the discrepancies.
- Staff-1-11** What is the primary use for your property and, in your opinion, will this use be impacted by the proposed transmission line? If so, please explain.
- Staff-1-12** In your opinion, is there any feature about your land that you believe should be considered when routing a transmission line on your property? If so, please explain.
- Staff-1-13** Please identify all persons with an ownership interest in your property.
- Staff-1-14** If the transmission line is routed on your property, please identify specifically the location that you would prefer for the right-of-way of the line. Use a map to show the location.

**SOAH DOCKET NO. 473-11-1266  
PUC DOCKET NO. 38825**

**COMMISSION STAFF'S FIRST SET OF REQUESTS FOR ADMISSIONS  
TO INTERVENORS**

- Staff RFA 1-1:** Admit or deny that you do not own or reside in a habitable structure within 500 feet of the centerline of any proposed transmission line route in this docket.
- Staff RFA 1-2:** Admit or deny that the property boundaries for the property(ies) you own are accurately represented on the maps provided by WETT in its Application at Attachment No. 3, Sheets 1-28.
