I am in favor of the Sharyland preferred route in  
Armstrong County, as a landowner. I would like to  
recommend the preferred route to the Commission. The route  
appears to have the most minimal impact upon our rural residents.  
All of the neighbors I have visited with are also in favor of the  
preferred route.

We are in favor of the preferred route  
as long as it stays on the west side of  
county road 18, where I own three  
and a half miles of land.

I am a landowner (Sec. 244 Block B 4), and we are in  
favor of the transmission line going through our property  
on the preferred route. We are firmly against all  
other alternative routes.
