DOCKET NO. 39542

APPLICATION OF BANDERA ELECTRIC	§	PUBLIC UTILITY COMMISSION
COOPERATIVE, INC. FOR	§	
APPROVAL OF TRANSMISSION COST	§	OF TEXAS
OF SERVICE AND WHOLESALE	§	
TRANSMISSION RATES	§	

**ERRATA TO BANDERA'S REQUEST FOR APPROVAL OF TRANSMISSION COST  
OF SERVICE  
AND WHOLESALE TRANSMISSION SERVICE TARIFFS**

TO THE PUBLIC UTILITY COMMISSION OF TEXAS:

BANDERA ELECTRIC COOPERATIVE, INC. ("Bandera") hereby files this errata to its transmission cost of service rate filing package ("Application") and in support thereof would show:

RECEIVED  
1 SEP - 6 PM 4: 38  
FILING CLERK

**I.**

**SUMMARY OF BANDERA'S CORRECTED REQUEST**

As reflected in the attached testimony, schedules and workpapers, Bandera seeks to correct its previously requested transmission cost of service ("TCOS") and wholesale transmission rate. Bandera's corrected TCOS rate base is \$25,152,073 - a reduction of \$314,376 from Schedule B as originally filed. Bandera's corrected TCOS (net of LCRA lease revenues of \$936,303) is \$1,903,383, a reduction of \$65,376 from Schedule A as originally filed. Bandera's corrected wholesale transmission rate is \$0.0310154 per KW per year - a reduction of \$0.001065 per KW per year from Schedule A as filed.

In support of its revised request, Bandera is filing:

1. The attached Errata to the Direct Testimony of Judy K. Lambert (Attachment BEC-1) to correct Ms. Lambert's previously filed testimony;
2. Corrected TCOS schedules and workpapers (Attachment BEC-2) to replace the TCOSRFP schedules and workpapers previously filed in this proceeding; and
3. A corrected Wholesale Transmission Service (WTS) tariff (Attachment BEC-3) to replace the previously filed tariff.

34

**II.  
PRAYER**

WHEREFORE, PREMISES CONSIDERED, Bandera respectfully requests that the Commission accept the attached errata in support of Bandera's requested TCOS and approve Bandera's WTS tariff and a wholesale transmission rate of \$0.0310154 per kilowatt per year. Bandera also asks for such other and further relief to which it may show itself entitled.

Respectfully submitted,

MCGINNIS, LOCHRIDGE & KILGORE, L.L.P.

**ERRATA TO DIRECT TESTIMONY OF  
JUDY K. LAMBERT**

1 **Q. ARE YOU THE SAME JUDY K. LAMBERT FOR WHOM DIRECT**  
2 **TESTIMONY HAS BEEN FILED IN DOCKET NO. 39542?**

3 A. Yes, I am.

4 **Q. WHAT IS THE PURPOSE OF THE ERRATA TO YOUR DIRECT**  
5 **TESTIMONY?**

6 A. The Errata is to revise and correct my Direct Testimony and the TCOS schedules and  
7 work papers related to:

- 8 1) an error in Work Paper WP/B-1/1 which affected other TCOS schedules,  
9 2) removing from Work Papers WP/B-1/1 and WP/B-1/3, the post-test year  
10 adjustments to plant totaling \$1,725,826 which reclassified construction work  
11 in progress amounts to plant in service (Accounts 361 and 362),  
12 3) revising WP/B-1/2 to correct the functionalization of Medina Lake and Verde  
13 Creek substations,  
14 4) revising Work Papers WP/D-2 and WP/D-5 to use the 2010 TEC and NRECA  
15 percent of dues excluded, and  
16 5) revising Schedule D-2 to reflect the test year Regulatory Commission expense  
17 of \$92,858 in Account 928 rather than Account 930.

1 My Errata testimony will also discuss the changes to the requested revenue  
2 requirement, rate base, and TCOS rate.

3 **Q. ARE YOU SUBMITTING REVISED TCOS SCHEDULES AND WORK**  
4 **PAPERS REFLECTING THESE CHANGES?**

5 A. Yes. Because many TCOS schedules are dependent on other schedules or work  
6 papers for functionalization, revised TCOS Schedules and Work Papers are submitted  
7 with this Errata testimony. In the bottom margin of each sheet, the revised schedules  
8 and work papers show "Errata 8/23/2011" and the same sheet numbers (56-121) as  
9 the original filing.

10 **Q. PLEASE EXPLAIN THE CHANGES TO WORK PAPERS WP/B-1/1,**  
11 **WP/B-1/2, AND WP/B-1/3.**

12 A. On Work Paper WP/B-1/1, the distribution functionalized total for Account 362 was  
13 incorrectly calculated. Therefore, the distribution functionalized investment as a  
14 percent of the total investment as originally filed was incorrectly calculated as  
15 55.29% when it should have been 56.37%.

16 The post-test year adjustment to plant account 361 was functionalized on  
17 WP/B-1/3 and then incorporated on WP/B-1/1. The post test adjustment to plant  
18 account 362 was directly functionalized on WP/B-1/1.

19 On WP/B-1/2 the functionalized amounts for the Medina Lake and Verde  
20 Creek substations change from minor corrections in the LCRA Transmission  
21 Engineering Functionalization Estimating Modules.

22 Correcting the calculation error, removing the post-test year adjustment, and  
23 correcting Medina Lake and Verde Creek functionalization changes the Account 362

1 functionalized transmission percentage from 43.63% to 43.46% and changes the  
2 functionalized distribution percentage from 55.29% to 56.54%.

3 Removal of the post-test year adjustment to plant account 361 changes the  
4 functionalized percentages for the account from 20.12% to 43.46% for transmission  
5 and from 79.42% for distribution to 56.54%. For the total of plant accounts 360-362,  
6 the functionalized percentages change from 40.34% to 43.46% for transmission and  
7 from 58.68% to 56.54% for distribution.

8 **Q. PLEASE EXPLAIN THE CORRECTION TO THE EXCLUSION OF A**  
9 **PORTION OF THE TEC AND NRECA DUES.**

10 A. As originally filed, Work Paper WP/D-5 used the 2009 exclusion percentages to  
11 calculate the portion of the TEC and NRECA dues to remove from test year expenses.  
12 The percentages have been updated to the 2010 exclusion percentages. This changes  
13 the total amount to exclude from \$21,075 to \$20,413.

14 **Q. PLEASE EXPLAIN THE CORRECTION RELATED TO THE**  
15 **REGULATORY COMMISSION EXPENSE ON SCHEDULE D-2.**

16 A. The Test Year Regulatory expense of \$92,858 was included with Account 930  
17 Miscellaneous General Expenses in the original filing. The corrected Schedule D-2  
18 moves \$92,858 to Account 928 and with a like reduction to Account 930.

19 **Q. WHAT IS THE CORRECTED TCOS RATE BASE?**

20 A. The corrected TCOS rate base is \$25,152,073 which is a reduction of \$314,376 from  
21 Schedule B as originally filed.

1 **Q. WHAT IS THE CORRECTED TCOS REVENUE REQUIREMENT?**

2 A. The corrected TCOS revenue requirement after deducting LCRA Lease Payments is  
3 \$1,903,383 and the resulting rate is \$0.0310154 per kW per year. This is a reduction  
4 of \$65,376 and \$0.001065 per kW per year, respectively from Schedule A as filed.

5 **Q. PLEASE PROVIDE A CORRECTED TABLE 1 OF YOUR DIRECT**  
6 **TESTIMONY?**

7 A. Corrected Table 1 is shown below:

**Table 1 – Comparison of Bandera’s TCOS Filings - Corrected**

	<u>Docket No. 26937 TCOS</u>	<u>Requested TCOS</u>	<u>Change</u>	<u>% Change</u>
Total Revenue Requirement	\$1,108,796	\$2,839,686	\$1,730,890	156.1%
LCRA Lease Revenues	(477,113)	(936,303)	(459,190)	96.2%
Total TCOS	\$631,683	\$1,903,383	\$1,271,700	201.3%
Transmission Rate Base	\$11,285,102	\$25,152,073	\$13,866,971	122.9%

8

9 **Q. DOES THIS CONCLUDE YOUR ERRATA TESTIMONY AT THIS TIME?**

10 A. Yes, it does. However, I would request the right to amend, delete, and /or add to my  
11 testimony if additional facts become known.
