Re: Addendum to Control Number 39817 - **Application of Central Telephone Company of Texas dba CenturyLink to Withdraw Talking Call Waiting Feature**

Enclosed are an original and five copies of updated tariff sheets from Central Telephone Company of Texas d/b/a CenturyLink.

CenturyLink inadvertently did not file two revised proposed tariff sheets in this proceeding, Tariff No. 39817, to reflect new rates filed as an informational notice in Tariff Control No. 40025 before the approval was issued in this proceeding. This filing corrects that omission and correctly updates the tariff sheets to ensure that the new rates and the withdrawal of Talking Call Waiting are appropriately reflected in CenturyLink's tariff sheets, and that the revision levels for the two impacted tariff sheets were adjusted accordingly to reflect the next highest revision level.

This addendum also adds the March 1, 2012 effective date to all of the tariff pages included as part of the original application to withdraw Talking Call Waiting.

Please call me at (318)340-5937 if there are any questions regarding this matter.

Sincerely,

Tony Prestarri
