**ESTABLISHING PROCEDURAL SCHEDULE**

On November 30, 2011, AEP Texas North Company (AEP TNC) filed a petition for administrative approval of an update to its transmission cost recovery factor (TCRF).

On December 21, 2011, Commission Staff filed comments and a recommendation on the sufficiency of AEP TNC's petition and form of notice, and proposed a procedural schedule for processing this docket. Staff stated AEP TNC's application is sufficient as filed and that notice as provided to certified Retail Electric Providers (REPs) is considered reasonable.

Consistent with Staff's recommendation, AEP TNC's application and notice as provided to certified REPs are deemed sufficient. In addition, the following procedural schedule is approved:

January 2, 2012	Deadline to file a request to intervene or to file comments on the application
January 2, 2012	Deadline for intervenor to request a hearing
<i>If no intervenor requests a hearing:</i>	
January 4, 2012	Deadline for Staff to request a hearing or file final recommendation
January 11, 2012	Deadline for parties to file proposed Findings of Fact, Conclusions of Law, and Ordering Paragraphs
