**RE: Docket No. 40049 - Application of CenterPoint Energy  
Houston Electric, LLC to Amend Certificate of Convenience  
and Necessity for a Proposed 138 kV Transmission Line  
within Harris and Montgomery Counties - Request to  
Withdraw**

Dear Judge Kang:

I, John Russell Chapman, was granted intervener status in the above referenced proceeding. Due to CenterPoint's willingness to follow a revised construction plan, greatly reducing the impact to my property, and my willingness to grant CenterPoint the necessary easement, I no longer have any objections to Alternative Route 29 (composed of Segments "S", "T", & "V") and I wish to withdraw as an intervener.

Thank you for your attention to this matter.

Sincerely,

  
John Russell Chapman
