RE: RECOMMENDATION  
Project No. 40344  
*Registration Request of T2 EF Cogeneration, LLC for Power Generation  
Company Registration Pursuant to P.U.C. SUBST. R. §25.109*

On April 30, 2012, T2 EF Cogeneration, LLC (T2EF) filed a registration request for a power generation company under PUC Subst. R. §25.109. On May 3, 2012, Staff filed a Notice of Deficiency. On May 7, 2012, T2EF filed an Addendum to cure the deficiencies found by Staff. T2EF used the registration form prescribed by the Commission.

After a review of the registration application and Addendum, I have concluded that the applicant has satisfactorily completed the registration requirements under Subst. R. §25.109(e) by providing all requested information. Therefore, I recommend that T2EF's registration request be granted.
