MOTION TO INTERVENE OF TXU ENERGY RETAIL COMPANY LLC

NOW COMES TXU Energy Retail Company LLC (TXU Energy) and files this Motion to Intervene in the above-referenced proceeding pursuant to Commission Procedural Rules §22.103 and 22.104, and in support thereof, respectfully shows as follows:

I. BASIS FOR INTERVENTION

On May 1, 2012, AEP Texas North Company (TNC) filed its application for approval of an adjustment to its Energy Efficiency Cost Recovery Factor (EECRF). TNC will recover the EECRF through a charge to retail electric providers (REPs). Because TXU Energy is a retail electric provider (REP) providing electric service to customers within TNC's service territory, TXU Energy would be directly and substantially affected by the outcome of this docket and would be responsible for billing customers for any cost recovery allowed. Therefore, TXU Energy has a justiciable interest that may be adversely affected by the outcome of the proceeding.
