**SOAH ORDER NO. 23  
REQUESTING CONTESTED ISSUES LIST**

On August 22, 2012, the Public Utility Commission of Texas (Commission) issued its Preliminary Order in this docket. The Commission identified 51 issues (with subparts) to be addressed in this proceeding. Because of the number of issues to be addressed and the potential length of the hearing, it is necessary to identify the contested issues. Therefore, no later than January 24, 2013, Southwestern Electric Power Company shall file a list of contested issues in the following format. First, list all 51 issues and subparts and indicate if an issue is contested. Second, if an issue is contested, identify all parties who contest that issue. Finally, for all contested issues, list the witnesses by party who address that contested issue.
