PUBLIC UTILITY COMMISSION
OF TEXAS

AMENDMENT TO POWER GENERATING COMPANY REGISTRATION

TO THE HONORABLE PUBLIC UTILITY COMMISSION OF TEXAS:

CALPINE CORPORATION hereby files this amendment to its power generation company ("PGC") registration together with a revised Attachment A, and in support thereof respectfully shows as follows:

On December 29, 2000 Calpine Corporation ("Calpine") filed its application with the Public Utility Commission of Texas ("Commission") for registration as a PGC pursuant to P.U.C. SUBST. R. 25.109 in P.U.C. Docket No. 23495 (the "Application"). On January 23, 2001, the Application was approved by the Commission and Calpine was assigned registration number 20008. The Application was amended through various filings including additional filings submitted in this docket and in P.U.C. Docket 23495. On October 20, 2011, in the above-styled proceeding, Calpine filed an application to consolidate all of the amendments to its Application, which was approved by the Commission on October 26, 2011.

This filing, further amends Calpine's PGC registration 20008 to add the Bosque facility that Calpine acquired effective 12:00 a.m., November 7, 2012. The addition of the Bosque facility is reflected on the revised Attachment A filed herewith that lists all of the generating facilities owned by Calpine.

Respectfully submitted,

Calpine Corporation

Shonnie Daniel, Vice President and
Associate General Counsel 556
