Re: Project No. 41120; *Small and Rural Incumbent Local Exchange Company (ILEC) Universal Service Plan Quarterly Reporting Requirement Pursuant to 16 TAC § 26.404(h)(2)*

Dear Filing Clerk:

In compliance with 16 TAC § 26.404, I am writing to report quarterly Small and Rural Incumbent Local Exchange Carrier Universal Service (SRILEC USP) support received by Taylor Telephone Cooperative, Inc. ("Taylor").

For the fourth quarter reporting period, Taylor is required to provide the amounts of SRILEC USP support for the months of October, November, and December 2024. At the time of the fourth quarter report, Taylor did not know the actual amount that it would receive for the month of December 2024. Taylor provides this revised fourth quarter data as an update to include the month of December.

For this reporting period, Taylor is required to provide the amounts of SRILEC USP support for the months of January, February, and March 2025. Taylor will not know the actual amount that Taylor will receive for the month of March 2025 until payment from Solix is received. Taylor plans to update this report to include the month of March when filing the report that is due for the second quarter of 2025.

For ease of reference, Taylor is providing the monthly support amounts that the Commission has ordered the company to receive¹ and the amounts paid by Solix for the applicable reporting period.

¹ *Application of Taylor Telephone Cooperative, Inc. to Adjust High Cost Support Under 16 TAC § 26.407(h)*, Docket No. 45809, Notice of Approval (August 25, 2016).
