Question #7.4

Other factors, such as:

- (A) Community plans – N/A
- (B) Recreational and park areas – N/A
- (C) Historical and aesthetic values-N/A
- (D) Environmental integrity: N/A
- (E) The probable improvement of service or lowering the cost to consumers in the area if certificate is granted- **SWTEC and CVEC both attempt to avoid duplication of services even in rural areas such as this request. Avoiding duplication of services prevents additional power line and cost for members and serving cooperatives.**
- (F) To the extent applicable, the effect of granting the certificate on the ability of this state to meet the renewable energy goal established by PURS 39.904- N/A
