RE: **Tariff Control No. 41354 – Notice of Taylor Telephone Cooperative, Inc. for Approval of a Minor Rate Change Pursuant to SUBST. R. § 26.171**

NOTICE ADDRESSING SUFFICIENCY OF APPLICATION, PROPOSED NOTICE AND PROCEDURAL SCHEDULE

On April 5, 2013, Taylor Telephone Cooperative, Inc. (Taylor Telephone or Applicant) filed an application with the Public Utility Commission of Texas (Commission) for revisions to its Member Services Tariff to increase the residential and business access line rates. Taylor Telephone proposed an effective date of May 1, 2013.

On April 12, 2013, Commission Staff filed a recommendation on sufficiency of the application, notice and proposed procedural schedule. Commission Staff also stated that the Applicant's notice is sufficient and in compliance with the statute.

Consistent with Commission Staff's recommendation, Taylor Telephone's application is deemed sufficient. The Timeline issued previously is affirmed and the dates remaining are as follows:

Deadline for Comments	May 1, 2013
Staff Recommendation Due	May 6, 2013
If necessary, deadline to suspend tariff per P.U.C. SUBST. R. 26.171(g)	May 10, 2013

SIGNED AT AUSTIN, TEXAS on the 15th day of April 2013.
