To Whom It May Concern:

My property is located at Link 165 area on the North East Corner of Hutto road and Mile 9 road. I would like to inform you about the project located where your utility lines plan to be located at the East side next to the drainage canal. The property has been surveyed and section was fenced. A 120X60 barn was built with plans to expand of 120X60 next year. A drainage and irrigation water system has been added to operate a compost tea brewer. The level has been raised with truckloads of fill dirt and a drive way has been added to provide accommodations for 18 wheeler traffic coming in and out. A loading area will be constructed to load trucks. Please take this into consideration when planning a route for your lines. My contact number is 713-367-3510 Cristobal Garcia Jr or Lillian L Garcia.

Sincerely Yours

Lillian Lynette Garcia
