I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. \_\_\_\_\_

Living in a senior community (55 or older) there are many residents with various physical ailments. The presence of significant electrical transmission lines amplifies their concerns that their ailments would worsen with the presence of such lines. Please find a different route that does not come so close to this community of 55+ seniors. Thank you.
