I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

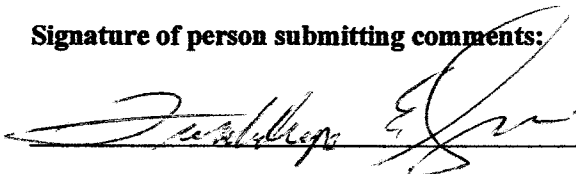

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☒ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

First I would like to say that I hope this transmission line goes another route and does not affect my land in any way. However, if this transmission line must go through this area, then I oppose link #269 in favor of link #278. Reason is that link #269 would greatly devalue my property which has the majority of highway frontage on FM732.
