I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- ☐ I am NOT a party to this case;
- ☐ My comments are not considered evidence in this case; and
- ☐ I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line:
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary.

My family has lived on this property since about 1939. My husband & I have lived here since 1983. A javalina comes across our property - along the mesa bank occasionally. I have a picture from this morning. Also bobcats take this route from time to time. Also have pictures. I feed my friends - the raccoons - so I think it is important to me and my family and to the environment that our home and land not be affected by this transmission line. I am 77 - my husband is 82 and in bad health or I would gladly sign up as an intervenor. This home and land will go to our children when we are gone. So - I beg you - please don't choose this route for your understandably needed transmission line.
