I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☒ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

I'm a retired person and due to poor health, I would be unable to travel to Austin for scheduled hearings if I were an intervenor. Therefore, I'm writing as a protestor. My main concern is the effects and value this proposal will have on my property.
