IV. ACKNOWLEDGMENTS

McLemore acknowledges: (1) they will be a party to the case; (2) they will be required to respond to all discovery requests from other parties in the case, (3) if McLemore files testimony, other parties may cross-examine their representative at the hearing; (4) if they file any documents in this case, copies of those documents will be served to every other party in this case, except where modified by alternative service procedures set out by order in this proceeding; and (5) they are bound by the Procedural Rules of the Public Utility Commission of Texas and the State Office of

Administrative hearings.

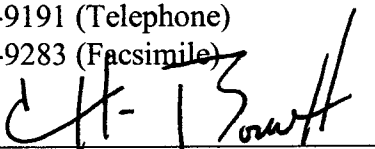

WHEREFORE, PREMISES CONSIDERED, McLemore respectfully requests that this Motion to Intervene be granted, that McLemore be allowed to participate in this proceeding as a party with all rights thereof to the full extent that they desire to do so and for such further relief to which they may be entitled.

Respectfully submitted,
