Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

If these lines run down Turner rd. behind my home I will have great concerns. My mother cannot remain close to transmission lines! She has chest pain and shortness of breath when near transmission lines. My parents live next door to me at 800 Turner rd. The lines will also decrease our property value.

Signature of person submitting comments:

John B. Vaughan

Please do not use the Turner rd. Route!!
