- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

345 KV transmission line route too close to our home. Already
Power lines run over our property line, on east side. Too
Much Power line clutter also on south and west.
Electro-magnetic Fields are high- bad for health. Power
lines on east side of our home hum as power goes
through. At this time wish and pray that another or that
a different route be considered.
