**I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:**

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

**Please check one of the following:**

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. \_\_\_\_\_

I own lots & have lines on a residential subdivision that would be  
crossed by the utilities. This would greatly devalue a nice residential  
subdivision that is still being developed. No one ~~is~~ bought  
property anticipating this.
