Docket Number  
**41808**

September 18, 2013

Dear Ms. Nelson:

I oppose the proposed route of the power lines down **Stonebrook Parkway or Main Street**. It will adversely affect over 35,000 residents' property values and threaten our growing tax base. There is NO evidence the lines are immediately necessary. Please use existing lines and corridors-- several options already exist. Frisco City Council officially and publicly oppose the proposed route. Also, I ask that a public hearing be held here in Frisco and NOT in Austin.

Sincerely yours,

*Maureen Smith*
