APPLICATION OF AMERIPOWER LLC §
FOR AMENDMENT TO A RETAIL §

**SUPPLEMENT TO AMERIPOWER, LLC'S APPLICATION FOR
AMENDMENT TO A RETAIL ELECTRIC PROVIDER CERTIFICATION**

AmeriPower, LLC ("AmeriPower"), applicant herein, supplements its REP certificate amendment application.

In its statement of position concerning AmeriPower's Application, Staff indicated that AmeriPower had not sufficiently demonstrated that it would secure customer deposits, because the segregated cash account it proposed to use was not compliant with PUC Subst. R. 25.107 (f)(4)(D).

AmeriPower has instead arranged for the opening of an escrow account with a recognized financial institution, which satisfies the requirements of subsection (f)(4)(E). The escrow account agreement and other account information is attached to this Supplement. The information is confidential, and therefore submitted under seal.

Accordingly, AmeriPower submits that it has remedied Staff's identified deficiency, and requests that the Commission approve its Application to amend its REP certificate.

Respectfully Submitted,

By: Chris Reeder
