**CONFIDENTIALITY STATEMENT UNDER SECTION 4  
OF THE PROTECTIVE ORDER**

The undersigned attorney for CenterPoint Energy Houston Electric, LLC ("CenterPoint Houston" or the "Company") submits this statement under Section 4 of the protective order entered in this case.

The materials provided in response to Gulf Coast Coalition of Cities ("GCCC") request for information ("RFI") 1-4 contain customer-specific information. Pursuant to the Protective Order approved in this proceeding, customer-specific information protected under section 32.101(c) of the Public Utility Regulatory Act ("PURA") is considered to be Highly Sensitive Protected Material. PURA § 32.101(c) expressly protects customer names and addresses, prices, individual customer contracts, and expected load and usage data as highly sensitive trade secrets. In addition, the responsive materials fall under section 552.101 of the Texas Public Information Act ("TPIA"),<sup>1</sup> which exempts from public disclosure information considered to be confidential by law. Accordingly, the material contained in the Company's response to GCCC 1-4 is exempt from public disclosure and subject to treatment as Highly Sensitive Protected Material, consistent with the Protective Order entered in this case.

I have reviewed the information produced by the Company in response to GCCC 1-4 sufficiently to state in good faith that the information is exempt from public disclosure under the TPIA and the Protective Order.
