Re: *Application of C & R Water Supply, Inc. to Change its Water Rates/Tariff Under Certificate of Convenience and Necessity No. 13098, in Montgomery County, Texas, Docket No. 42841; Closing Docket*

By Order dated August 6, 2014, the executive director of the Texas Commission on Environmental Quality (TCEQ) approved the application of C & R Water Supply, Inc. to change its water rates and tariff under certificate of convenience and necessity no. 13098, in specified subdivisions and systems in Montgomery County, Texas as modified by the settlement in this matter (SOAH Docket No. 582-11-5774, TCEQ Docket No. 2011-0471-UCR, Application No. 36832-R). The chief clerk of the TCEQ mailed out that order on August 14, 2014. A motion to overturn the decision of the executive director was due on September 8, 2014.

This matter transferred to the Public Utility Commission of Texas on September 1, 2014 and has been assigned docket number 42841. No motion to overturn was filed at the TCEQ before September 1 or at the Public Utility Commission thereafter before the filing deadline.

Consequently, the decision of the executive director is no longer subject to challenge and this docket is closed.
