10. Utility notice was insufficient. In addition to those systems listed in the application, they will also need to notify:

TWO MILES:

All cities and etj's within 2 miles of proposed area

- X 11. Notice: **DO NOT NOTICE**
- X 12. Other comments: **Maps do not meet requirements. Please submit the following. (Maps and data do not match. Applicant needs to get existing CCN data as requested may not give desired results.)**
- A. A general location map delineating the proposed service area with enough detail to accurately locate the proposed area within the county.
 - B. A map showing only the proposed area by:
 - i. metes and bounds survey certified by a licensed state or register professional land surveyor; or
 - ii. projectable digital data with metadata (proposed areas should be in a single record and clearly labeled). Also, a data disk labeled with the applicant's name must be provided; or
 - iii. following verifiable natural and man-made landmarks; or

iv. a copy of recorded plat map with metes and bounds.

D. Provide separate and additional maps of the proposed area(s) to show the following:

- i. all facilities, illustrating separately facilities for production, transmission, and distribution of the applicant's service(s); and
- ii. any facilities, customers or area currently being served outside the applicant's certificated area(s).
