6. FINANCIAL INFORMATION

A. For new systems and for applicants with existing CCNs who are constructing a new stand alone system:

- i. the applicant must provide an analysis of all necessary costs for constructing, operating, and maintaining the system, and the source of that capital (such as a financial statement for the developing entity) for which the CCN is requested for at least the first five years. In addition, if service has been offered by an existing water service provider as stated in #4.A., but the applicant has determined that the cost of service as finally offered renders the project not economically feasible, the applicant must provide a comparison analysis of all necessary costs for acquiring and continuing to receive service from the existing system for the same period.
- ii. Attach projected profit and loss statements, cash flow worksheets, and balance sheets (projected five year financial plan worksheet is attached) for each of the first five years of operation. Income from rates should correlate to the projected growth in connections, shown on the projected profit and loss statement.
- iii. Attach a proposed rate schedule or tariff. Describe the procedure for determining the rates and fees and indicate the date of last change, if applicable. Attach copies of any cost of service studies or rate analysis worksheets.

B. For existing systems:

- ATTACHMENT G i. Attach a profit and loss statement and current balance sheet for existing businesses (end of last fiscal year is acceptable). Describe sources and terms for borrowed capital such as loans, bonds, or notes (profit and loss and balance sheet worksheets are attached, if needed).
- ATTACHMENT H ii. Attach a proposed rate schedule or tariff.
★NOTE: An existing system may be required to provide the information in 6.A.i. above during the technical review phase if necessary for staff to completely evaluate the application.

C. Identify any funds you are required to accumulate and restrict by lenders or capital providers. NONE

- D. In lieu of the information in #6.A. thru #6.C., you may provide information concerning loan approvals within the last three (3) years from lending institutions or agencies including the most recent financial audit of the applicant.

Note: Failure to provide adequate financial information may result in the delay or possible denial of your application.

7. NOTICE REQUIREMENTS

- A. All proposed notice forms must be completed and submitted with the application. However, do not mail or publish them until you receive written approval from the Commission to do so.
- B. The Commission cannot grant a CCN until proper notice of the application has been given. **Commission rules do not allow a waiver of these notice requirements for CCN applicants.**
- C. **It is the applicant's responsibility to ensure that proper notice is given to all entities that are required to receive notice.**
- D. Recommended notice forms for publication, neighboring cities and systems, landowners with 25 acres or more, and customers are included with this application to use in preparing your proposed notices. (These notice forms are also available in Spanish upon request.)
- E. After reviewing and, if necessary, modifying the proposed notice, the Commission will send the notice to the applicant after the application is accepted for filing along with instructions for publication and/or mailing. Please review the notice carefully and note any additional neighboring utilities which may be included in the acceptance letter.
- F. Notice For Publication:
The applicant shall publish the notice in a newspaper having general circulation in the county or counties where a CCN is being requested, once each week for two consecutive weeks beginning with the week after the notice is received from the Commission. Proof of publication in the form of a publisher's affidavit shall be submitted to the Commission within 30 days of the last publication date. The affidavit shall state with specificity each county in which the newspaper is of general circulation.
- G. Notice To Neighboring Utilities:
- i. List all neighboring retail public utilities and cities providing the same utility service within the following vicinities of the applicant's proposed certificate area.
 - ii. For applications for the issuance of a **NEW** CCN, the applicant must mail the notice with a copy of the proposed CCN map to all cities and neighboring retail public utilities providing the same utility service within **five (5) miles** of the requested service area.
 - iii. For applications for the **AMENDMENT** of a CCN, the applicant must mail the notice with a copy of the proposed CCN map to all cities and neighboring retail public utilities providing the same utility service within **two (2) miles** of the requested service area.

- H. Notice to Customers
Investor Owned Utilities (IOUs) that are currently providing service without a CCN must provide individual mailed notice to all current customers. The notice must contain the current rates, the date those rates were instituted and any other information required in the application. The notice must also list all zip codes affected by the application.
- I. The Commission may require the applicant to deliver notice to other affected persons or agencies.

Do not publish or send copies of the proposed notices to anyone at the time you submit the application to the Commission. Wait until you receive written authorization to do so. This will occur after the Commission has reviewed the notices for completeness, and your application has been accepted for filing. Once the application is accepted for filing, you will receive written authorization to provide notice. Please check the notices for accuracy before providing them to the public. It is the applicant's burden to ensure that correct and accurate notice is provided.

NOTICE OF APPLICATION FOR CERTIFICATE OF CONVENIENCE AND NECESSITY (CCN) TO
PROVIDE WATER/SEWER UTILITY SERVICE IN
Montgomery, Liberty COUNTY(IES), TEXAS

Name of Applicant City of Splendor has filed an application for a CCN to obtain or amend CCN No. 11727 and to decertify a portion(s) of _____ with the Texas Commission on Environmental Quality
(Name of Decertificated Utility)

to provide water (specify 1) water or 2) sewer or 3) water & sewer) utility service in Montgomery and Liberty County(ies).

The proposed utility service area is located approximately 34.75 miles northeast [direction] of downtown Houston, [City or Town] Texas, and is generally bounded on the north by Morgan Cemetery Rd; on the east by San Jacinto road; on the south by Hill & Dale Avenue; and on the west by Charleston Drive.

See enclosed map of the proposed service area.

The total area being requested includes approx. 12,600 acres and 1000 current customers.

The proposed amendment affects customers and/or areas located in the following zip code(s):

77372, 77327

(List All Affected Zip Codes)

A copy of the proposed service area map is available at (Utility Address and Phone Number):

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to be excluded from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All requests to opt out of the requested service area must include a scaled, general location map and a metes and bounds description of the tract of land.

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.
