CITY OF SPLENDORA'S AMENDMENT TO WATER CCN APPLICATION

To the Public Utility Commission:

On July 17, 2015, the State Office of Administrative Hearings (“*SOAH*”) Administrative Law Judge (“*ALJ*”) issued Order No. 11, remanding this application back to Public Utility Commission (“*PUC*”) as an uncontested matter for final processing and approval, and dismissing it from the *SOAH* Docket. However, after discussions with legal counsel for the *PUC*, the City of Splendor (“*Splendor*”) was informed that its proposed water CCN boundary, as currently proposed, slightly overlaps with the City of Plum Grove. Accordingly, Splendor hereby amends its Application, reducing the water CCN area requested, by removing the small area of overlap with the City of Plum Grove, as more specifically depicted by the attached maps and digital data (provided in the cd-rom) attached hereto as Attachment A.
