APPLICATION FROM THE CITY OF § PUBLIC UTILITY COMMISSION
SPLENDORA TO AMEND CCN NO. §
11727 IN MONTGOMERY AND § OF TEXAS
LIBERTY COUNTIES §

ORDER NO. 1
REQUIRING COMMISSION STAFF COMMENTS/RECOMMENDATION

On July 14, 2015, the City of Splendor filed an unopposed motion to remand this docket from the State Office of Administrative Hearings (SOAH) to the Public Utility Commission of Texas (Commission), based upon all protestants and intervenors having withdrawn their protests to the application.

On July 20, 2015, the SOAH Administrative Law Judge issued Order No. 11, remanding the case to the Commission for final processing and dismissing the matter from the SOAH docket.

On July 22, 2015, the City of Splendor filed an amended application to remove a small area of overlap with the City of Plum Grove. The Commission Staff informed the City of Splendor that its originally-proposed water certificate of convenience and necessity (CCN) boundary amendment, slightly overlapped with the City of Plum Grove; therefore, the application should be amended to remove the small area of overlap.

In light of the amended application filed by the City of Splendor, Commission Staff shall file, on or before **August 11, 2015**, comments/recommendation regarding the appropriate manner of continued processing of this docket leading to final resolution.

SIGNED AT AUSTIN, TEXAS the 28th day of July 2015.
