CITY OF AUSTIN'S FOURTH SUPPLEMENTAL RESPONSE
TO PETITIONERS' THIRD REQUEST FOR PRODUCTION OF DOCUMENTS

TO: Wells Branch MUD, Travis County WCID No. 10, Northtown MUD, and North Austin Utility District No. 1, through its attorneys of record, Randall Wilburn, Attorney at Law, 3000 South IH 35, Suite 150, Austin, Texas 78704; and John J. Carlton, The Carlton Law Firm, PLLC, 2705 Bee Cave Road, Suite 200, Austin, Texas 78746.

COMES NOW, the City of Austin, (herein sometimes referred to as "City," "Austin" or "Respondent"), in the above styled and docketed consolidated wholesale water and wholesale wastewater rate appeal proceeding and serves this, the City of Austin's Fourth Supplemental

48

Response to Petitioners' Third Request for Production of Documents, on all parties to this Proceeding.

GENERAL OBJECTIONS TO INSTRUCTIONS

Austin objects to Petitioners' "Instructions" and will not adhere to any such instructions to the extent they are inconsistent with, or in addition to, the applicable procedures and rules set forth in the Texas Rules of Civil Procedure. Austin will respond to Petitioners' requests for production consistent with the Texas Rules of Civil Procedure. Austin will respond to Petitioners' requests for production only as required by Tex. R. Civ. P. 193, 196.2(b) 197.2(b)-(c). Subject to any objections and assertions of privilege that Austin may make, Austin will produce only those relevant, non-privileged documents in their possession, custody, or control that are responsive to Petitioners' requests.

I. GENERAL OBJECTIONS TO DEFINITIONS

Austin objects to Petitioners' "Definitions" and will not adhere to any such definitions to the extent that they are inconsistent with, or in addition to, the applicable rules set forth in the Texas Rules of Civil Procedure. Austin specifically objects to, and will not adhere to, the following terms as defined by Petitioners.

Definition of "you," "your," and "City."

Petitioners' definition of "you," "your," and "City" are improper, overbroad, and on their face unreasonable. They include "affiliates" and "expert witnesses" without a reasonable limit to a time period, subject matter or subject area or whether such "affiliates" of consultant expert witnesses are located within the state of Texas. Using these definitions with Petitioners' overly broad requests would require Austin to produce hundreds or thousands of documents from former and present consultants or other entities on numerous subjects going back in time, indefinitely.

Definition of "Source Documentation."

Petitioners' definition of this term is overly broad, harrassive, and not reasonably related to the discovery of admissible evidence. In order to respond completely to Petitioners' request for production, Austin would have to assemble and produce all "invoices, receipts, cash slips, deposit slips, check ledgers and work papers" without a reasonable time limit or scope. Such a request would require Austin to expend thousands of man hours to produce documents in needless detail, thereby increasing the costs of this case beyond what is reasonable or necessary. Further, Austin is not clear by how Petitioners define the term "business deal" or what documents would reasonably comprise a "business deal."

II. RESPONSES TO REQUESTS FOR PRODUCTION SUBJECT TO GENERAL AND SPECIFIC OBJECTIONS, RIGHT TO AMEND OR SUPPLEMENT

Each of these responses is submitted pursuant to applicable law and rules, and each response provided is expressly subject to the general and specific objections set forth herein. By producing documents in response to a request, Austin does not waive or suspend their objections to the request. Additionally, Austin reserves the right to amend or supplement this response in accordance with applicable rules.

RESPONSE: Respondent objects to this request as overly broad, unduly burdensome and not limited to a reasonable time or scope. Respondent further objects to the request as being made for the purpose of harassment.

III. RESPONSES TO REQUESTS FOR PRODUCTION
