**SOAH ORDER NO. 3
ABATING PROCEEDINGS AND REQUIRING
STATUS REPORT OR AGREED MOTION**

On November 12, 2014, the Administrative Law Judge (ALJ) convened a prehearing conference in this matter. During the prehearing conference Mr. Jacob Lawler, Staff Attorney for the Public Utility Commission of Texas (Commission), stated that he believes the applicants' September 25, 2014 filing satisfies the Commission staff's concerns regarding the application. The applicants and Mr. Lawler requested that they be given three weeks to resolve the matter and file either an agreed motion or a status report.

The ALJ agrees with this request and therefore abates this matter until **December 5, 2014**, by which time the parties shall file either an agreed motion or a status report.

Please note the ".WS" suffix added to the end of the State Office of Administrative Hearings docket number. This suffix is necessary for billing purposes on water and sewer cases and is required for all future filings in this matter and for all other water and sewer cases.

SIGNED November 12, 2014.
