Re: **PUC Docket No. 42931**; Application of Manville Water Supply Corporation and Lakeside Water Control and Improvement District 1 ("***District***") for Approval of a Service Agreement in Travis County (37792-C)

Dear Administrative Law Judge Goodson:

On January 5, 2016, Public Utility Commission ("***PUC***") Staff filed its Response to PUC Order No. 8 indicating that the above-referenced application was administratively incomplete and deficient. On January 6, 2016, Order No. 9 was issued, affirming the PUC's Staff's findings and requiring the District to cure such deficiencies by February 5, 2016. In response to Order No. 9, the District submitted revised digital data in an effort to cure the deficiencies on February 5, 2016. The District now files this supplemental response to Order No. 9 to replace the digital data submitted with its February 5, 2016 response with the revised digital data now submitted in **Attachment A**.

If there are any questions regarding this submittal, I can be reached at 512-322-5804 or cdickenson@lglawfirm.com.

Sincerely,

Christie L. Dickenson
