water service providers to their respective residents, each desire to possess the portion of the CCN Transfer Area that overlaps with their respective boundaries, for so long as they own the Districts' Systems;

WHEREAS, the City desires to possess the water CCNs that overlap with the Districts' boundaries when it owns the water infrastructure necessary to serve such areas;

WHEREAS, the Parties desire to enter into an agreement regarding the transition of the CCN Transfer Area from Manville WSC, and both Parties understand that TLCD does not oppose such an agreement; and

WHEREAS, pursuant to Chapter 791, Texas Government Code, and the general and special laws of the State of Texas, the Parties are authorized to enter into this Agreement providing for the undertaking, administration, and implementation of the Agreement.

NOW THEREFORE, in consideration of the terms, conditions, and covenants contained in this Agreement, the adequacy and sufficiency of which are hereby acknowledged, the Parties agree as follows:

AGREEMENT

1. Transferring the CCN Transfer Area from Manville WSC to the Districts. As of the Effective Date (defined herein) of this Agreement, the City assigns all of its rights, but none of its obligations or liabilities, set forth in Section 7.1 of the Sixth Amendment to the Districts, for each respective District. This assignment is subject to the provisions of Section 2 of this Agreement. In the event any District elects to file an application with the TCEQ to transfer from Manville WSC the portion of the CCN Transfer Area that overlaps with the boundary of that District, the City agrees that it will not protest such applications, so long as such applications are filed while the District continues to hold the assigned rights in Section 7.1 of the Sixth Amendment, in accordance with this Agreement. The City shall release, defend and hold harmless the Districts for, from and against any and all causes of action, suits, judgments and expenses (including, without limitation, court costs, attorneys' fees and costs of investigation, removal and remediation, and governmental oversight costs) of Rowe Lane Development, Ltd., Robert M. Tiemann, TLCD, SLF IV – Blackhawk, L.P., or their successors and assigns, directly or indirectly arising out of, resulting from this Agreement or any rights or interests granted pursuant to this Agreement. The City's obligation to release, defend and hold harmless the Districts under this Section shall survive this Agreement.

2. Transferring the CCN from the Districts to the City. In the event that the City "*annexes*" (defined herein) one or more of the Districts: (a) the rights of such annexed District(s) under Section 7.1 of the Sixth Amendment shall immediately and automatically revert back to the City; (b) if applicable, the City shall have the right, but not the obligation, to prepare, file, and prosecute an application with the TCEQ (or its successor agency) to transfer such District(s)'s water CCN to the City; and (c) the City may provide retail water service within such annexed District(s), to the extent authorized by law. Each such annexed District shall consent to, and assist the City, at the City's cost, with such CCN transfer or decertification, upon request

from the City. For the purposes of this Agreement, the term "*annexes*" means the time by which both of the following actions have occurred: (a) a District is included within the municipal limits of the City, and (b) the City obtains ownership of that District's portion of the Districts' Systems. Nothing in this Agreement shall prohibit the City from exercising its rights under Texas Local Government Code §552.017. This Agreement does not grant the City the authority to use a District's portion of the Districts' Systems prior to the time that the City annexes such District.

3. **No Compensation for CCN Transfer.** The transfers of the CCN described herein shall be accomplished without the payment of compensation therefore by any Party to any Party. The Parties acknowledge that their agreement to amicably resolve overlapping CCN issues and to further the public policy goal of providing continuous and adequate retail water utility service to the landowners within the CCN Transfer Area is sufficient consideration for the Agreement, and they waive any and all claims they may have under the provisions of the Texas Water Code to receive any compensation for the transfer of the water CCN that they may hold, pursuant to this Agreement.
4. **Term and Termination.** This Agreement shall remain in force and effect until the City annexes all of the Districts.
5. **Default.** If any Party fails to abide by each of the provisions and obligations of this Agreement, then the non-failing Party shall have the right, but not the obligation, to terminate this Agreement upon thirty (30) days prior written notice to the failing Party, if the failing Party does not cure such failure within such thirty (30) day period. The non-failing Party may also pursue any and all other legal and equitable remedies available to it as may be permitted from time to time by applicable laws.
6. **Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of the heirs, successors and permitted assigns of the Parties.
7. **Entire Agreement.** This Agreement embodies the entire agreement of the Parties on the subjects contained herein and therein and shall supersede all previous communications, representations, or agreements either verbal or written between the Parties with respect to the same.
8. **Counterparts.** This Amendment may be executed in multiple counterparts, which, when combined together, will constitute an original of this Agreement.
9. **Assignment.** Neither the City nor the Districts may assign their rights and duties hereunder, in whole or in part, without the prior written consent of the other Parties, which consent shall not be unreasonably withheld, conditioned or delayed.
10. **Notice.** Unless otherwise stated herein, any notice or other communication required or permitted under this Agreement shall be in writing, may be delivered (and shall be deemed to be received) as follows: (i) when delivered personally or by a nationally recognized overnight courier service that provides written proof of delivery, upon the date of delivery; (ii) when delivered by United States mail, registered or certified, with return receipt requested and postage
