Date Notice Mailed: 4/25, 2016

Lakeside Water Control and Improvement District 2C has filed an application with the Public Utility Commission of Texas to obtain water and sewer CCNs, to decertify a portion of the City of Pflugerville's sewer CCN 20678, and to decertify a portion of Manville Water Supply Corporations water CCN 11144 in Travis County.

The proposed water and sewer service area is located approximately 3.8 miles northeast of downtown Pflugerville, Texas, and is generally bounded on the north by County Road 138; on the east by .25 mile east of intersection County Road 137 and Rowe Lane; on the south by intersection of Grail Hollows Rd. and Brean Down Rd.; and on the west by Winding Shore Lane.

The proposed water and sewer area is approximately 407 total acres which includes 446 current customers.

See enclosed map of the proposed service area.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement

is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

Lakeside Water Control and Improvement District 2C has filed an application with the Public Utility Commission of Texas to obtain water and sewer CCNs, to decertify a portion of the City of Pflugerville's sewer CCN 20678, and to decertify a portion of Manville Water Supply Corporations water CCN 11144 in Travis County.

The proposed water and sewer service area is located approximately 3.8 miles northeast of downtown Pflugerville, Texas, and is generally bounded on the north by County Road 138; on the east by .25 mile east of intersection County Road 137 and Rowe Lane.; on the south by intersection of Grail Hollows Rd. and Breaun Down Rd.; and on the west by Winding Shore Lane.

The proposed water and sewer area is approximately 407 total acres which includes 446 current customers.

See enclosed map of the proposed service area.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement

is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

If you are a landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the proposed area, you may request to be excluded from the proposed area (or "opt out") by providing written notice to the Commission within (30) days from the date that notice was provided by the applicant. All requests to opt out of the requested service area must include a large scale map and a metes and bounds description of the tract of land.

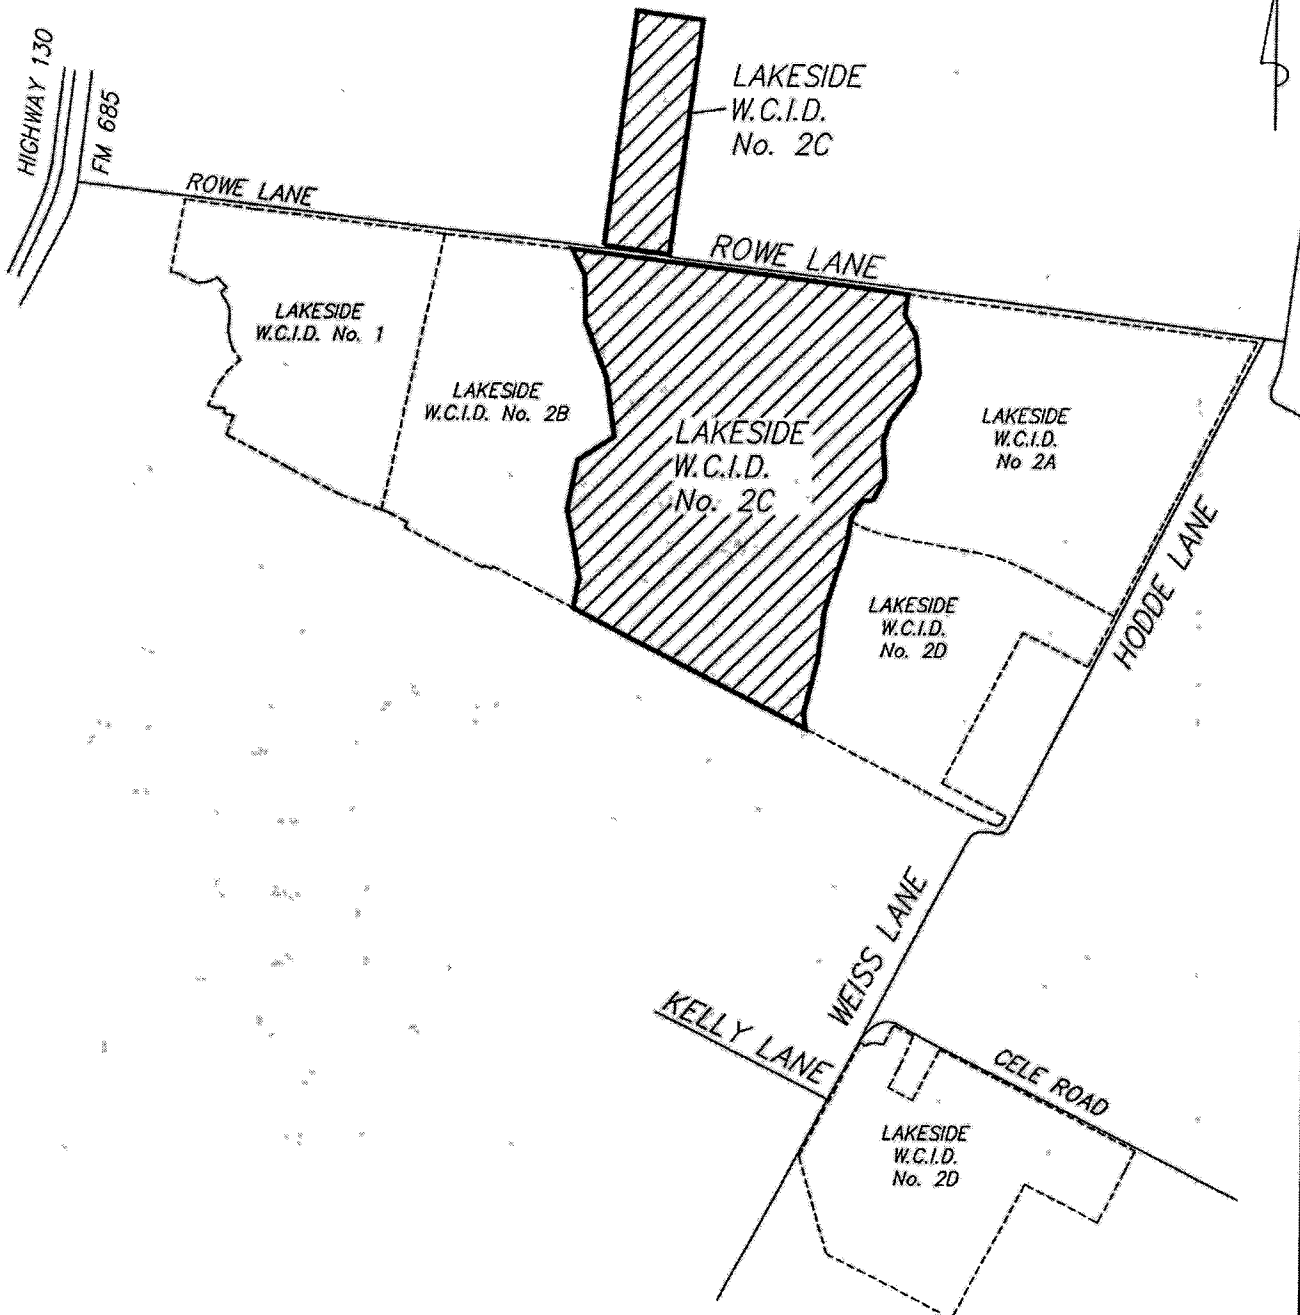

Persons who meet the requirements to opt out, and wish to request this option should file the required documents with the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

A copy of the request to opt out of the proposed area must also be sent to the applicant. Staff may request additional information regarding your request.
