Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
PO Box 13087
Austin, Tx 78711-3087

To Whom It May Concern:

I, Archie Abrameit, Manager of The Stiles Farm Foundation, PO Box 405, Thrall, Tx 76578, 512-898-2214 request a public hearing relative to CCN # 13063. (See attached reference)

The Stiles Farm Foundation requests a public hearing.

I have extreme confidence in the ability of the current water supplier, Noack Water Supply Corporation. I am not convinced that the City of Thrall is capable of providing a reliable source of water to service our needs. I base my opinion on seeing first hand the operations of the City of Thrall sewage treatment plant which causes some downstream concern.

We request the application be denied.

Sincerely

Archie Abrameit
Manager

NOTICE OF APPLICATION FOR CERTIFICATE OF CONVENIENCE AND NECESSITY
(CCN) TO PROVIDE WATER UTILITY SERVICE IN WILLIAMSON COUNTY, TEXAS

To: Stiles Farm Foundation
(Neighboring Landowner)
Texas A&M University Trustees
P.O. Box 405
(Address)
Thrall, Texas 76578-0405
(City, State, Zip)

Date Notice Mailed: July 12, 2010

City of Thrall has filed an application to amend CCN No. 13063 with the Texas Commission on Environmental Quality to provide water utility service in Williamson County.

The proposed utility service area is located adjacent to the city limits of Thrall, Texas, and is generally bounded on the north by approximately 1,000 feet north of US 79; on the east by approximately 1,800 feet east of CR 424; on the south by approximately 2,500 feet south of US 79; and on the west by approximately 1,500 feet west of Neil St. The total area being requested includes approximately 47.6 acres and 0 current customers. The proposed amendment affects customers and/or areas located in the following zip code: 76578. See enclosed map of the proposed service area.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC-153
P. O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.
